

Louis Raymond Private Garden Tour Hopkington, RI

September 27, 2018—Thursday

Visit and tour the private garden of master designer and horticulture specialist, **Louis Raymond**.

It's all about explorations, whims, and manias. With "only" one-and-one-half acres, few trees or shrubs grow free-range. Instead, hedges, Belgian fences, and espaliers create the narrowest-possible separators. Woodyies are also trained ornamentally as pollards, coppices, portals, standards, pillars, and topiary. All of this "hortitecture" rises from beds crowded with perennials, annuals, and tender woodyies. A horde of container plants crowds the grass and the paths leading to the focal spots at the ends of the vistas.

Enjoy a Welcome "Nibble & Sip", Homemade Picnic Style **luncheon** with Classic Chicken Salad, Baked Penne with Sweet Italian Sausage, Hot Biscuits with Honey Butter and more complete with an extensive **private garden tour** by **Louis Raymond**.
