Fall 2017

Dear Kind Donor,

For over 57 years the Connecticut Horticultural Society, a 501(c)3 non-profit, has provided scholarships to deserving students of horticultural studies. Our semi-annual Plant Sale and Auction is the primary way we raise the funds for this very important cause. It is known amongst our members as a chance to get rare and collectible plants.

Won't you please join other notable donors by providing plants or other items for the auction?

Our fall auction will be Friday, September 29 at the Tolland County Agricultural Center, 24 Hyde Avenue (Route 30), Vernon, CT. Preview begins at 6:30 p.m. followed by the sale and auction at 7:00 p.m.

This letter introduces our member who represents the Connecticut Horticultural Society as a volunteer. They can answer any questions you have about our organization and the programs we offer throughout the year. They are also prepared to take any donations you are willing to give to our Plant Sale and Auction.

Our scholarship recipients and members thank you for supporting the future of horticulture in Connecticut.

Sincerely,

Trish
