

Announcing the 2020 Master Gardener Book Sale and Fundraiser!

35% Discount on Select Titles

We are pleased to offer the **UConn Master Gardener Program Winter 2020 Book Sale**. This special arrangement with Timber Press allows you the opportunity to purchase select titles at a 35% discount through our group order. Additionally, there is no tax and no shipping fee. Not only are you getting a discounted price – the Master Gardener program will receive a portion of the proceeds.

Orders must be placed and paid for by **February 10th**. Once the order is received, your selections will be available for pickup at a CT Horticultural Society Meeting (hopefully Feb. 20th).

Most of you are familiar with Timber Press. They publish many of the books we gardeners enjoy. You can find more information about these titles (and many more) at www.workman.com.

Use the order form for CT Horticultural Society members. Simply list the quantities and the item totals using the **MG Price** listed. Mail the completed order form and payment to the Litchfield County Extension Office.

Questions?

Contact Litchfield County Coordinator Michelle Winkler (michelle.winkler@uconn.edu) or Middlesex County Coordinator Gail Reynolds (gail.reynolds@uconn.edu).

Take a look, stock up on great books at a great price, and help the Master Gardener program to continue and grow!
